The International Hardware Expo Taiwan (IHT) and the Taiwan International Tool & Hardware Expo (TiTE) are Taiwan's premier, largest, and most comprehensive international hardware exhibitions. Jointly organized by the esteemed Lanza International Co., Ltd and the Taiwan Hand Tool Manufacturers' Association, this year's event will feature nearly 400 domestic and international exhibitors, showcasing over 700 booths. Buyers from 30 countries are expected, with more than 30,000 visitors anticipated. Exhibitors will present bestselling products, new products, and advanced technologies, covering tens of thousands of hardware items to meet the diverse needs of customers from around the world. IHT x TiTE will comprehensively showcase the latest trends and technologies in the hardware industry, as well as Taiwan's innovative solutions in promoting global sustainable development. This event is not only the largest and most influential hardware industry exhibition in Asia but also a significant platform for fostering global industry cooperation and innovation.
